Prologue

As we, the class of '50, close one chapter in our Scrapbook of Memories we leave behind many wonderful times and good friends. We have recorded our remembrances of these to be looked back upon in years to come.

We are now entering a new chapter in our lives which will also provide many wonderful memories, but in our hearts we will always hold our years in Ross as the most dear.

Board of Education

The main job of the Board of Education is to counsel and advise the school's activities and problems, such as; paying bills, hiring the teachers, and balancing the budget. This is a full time job in itself and we greatly appreciate the efforts put forth by these men. If it weren't for them, we would not have achieved the fine school or capable teachers that we have today.

Superintendent

Even the thoughtless youth of a student body can begin to appreciate the worth of a man who has labored as long and as successfully to make Fremont Ross High what it is today from the meager foundation of yesterday. Students could not have done it alone, nor could the Superintendent, Mr. Diener, but with the fine cooperative spirit which he made us see, we have done it together. It is under the capable work of this man that Ross has continued to advance from the small school it was long ago to the large institution that it is today.

Principal

With the guidance of our Principal, Mr. Cooper, both students and faculty are able to work together harmoniously. It is his chief aim to make school a desirable, advantageous, and important part of our life. Remembering his own school days, he has offered many wise decisions and helpful advice which have become known to all the students and teachers in Ross who know and respect him.

Assistant Principal

Working especially with boys, Mr. William McConnell has charge of school attendance, absences, and truancies at Ross. Despite the detention which is often administered, his smile and friendly voice have made many a pupil throughout the school respect him.

Visiting Teacher

We appreciate the understanding of our visiting teacher, Miss Hughes, whose primary interest is bringing the pupil and the school together. She checks attendance, working particularly with the girls. Through her helpful advice and teaching, we have learned much.

The most important part of the faculty. They have worked to provide a well-developed education in us a regard for cultural and no prejudices; they help all freshmen to the older seniors for

Through their hard work the School has risen to greater plans

Class History

We, the seniors of 1950, enscribe with pride this half-century mark in our "Scrapbook of Memories" —

In these times of pride and prejudice, confliction and confusion, we have endeavored to preserve, to cherish, and to practice, the basic wealth of our nation—Democracy!

On track, field, gridiron, pool, or court, we performed with but one perspective—Victory! Hence, honor and glory for the school we loved. But honor possessed in such a manner of team spirit and co-operation so as not to infringe upon the right of God's favorite—The Common Man! We were equaled by few!

Our class plays, parties, and assemblies speak aloud, not only in our Scrapbook's memories, but in our own, and are as real to us as the friends we made here.

Hand in hand with scholarship we have preserved for the industry, cooperation, and organization that has made this country the greatest on the face of the earth.

Irregardless of Race, Color, or Creed, We, as Individuals, and Seniors of 1950, each have our part to fulfill in the citizenry of this great country. We have "Entered to Learn", and are now prepared to "Go Forth to Serve"—This cannot be challenged!

We Sang

Senior Class Song

(Tune—"Good Night Sweetheart")

So long, Freshmen,
Wish that we were you now,
Good-bye, Sophomores,
Our time is nearly through now.
And you Juniors,
You've really had fun;
But wait till the day when your senior days
are done
So we'll say—
Good-bye, Ross High,
We are leaving you now,
Good-bye, school days,
We are almost through now,
Games and dances are now in the past
Friends we have made are friends to the last
So we'll say—
Good-bye, teachers, thanks for guiding us
through,
Good-bye, Ross High, never will forget you,
Dreams enfold you, in our hearts we'll hold
you,
Good-bye, Ross High,
Good-bye.

Ross High Alma Mater

Hail the Giants, hail to Ross,
May the breeze our Banner toss.
See our colors, loved and fair,
Streaming in the evening air.
Lo, the western sky aflame,
At the praise of thy dear name,
Thro' the twilight shadows dim,
Faint, sweet echoes of this hymn.
Alma Mater, hail to thee!
True and loyal hearts have we!
Well we've loved thee in the past,
Still we'll love thee to the last.

Fight Song

Where the purple banners fly,
On to victory, Fremont High.
Fight, fellows, fight, while we send up a
rousing cheer.
RAH! RAH! RAH!
Hurl fierce defiance to the foes, Little
Giants,
Bring victory to the old school we hold so
dear!
Come team, and win us this game
That we may add to the fame
And the long, long record of proud
achievements
Written down by Fremont High.
Team, we remind you, to a man we're be-
hind you,
Fight, while we roar with a loud cheer that
splits the sky!
Come team, and win us this game
That we may add to the fame
And the long, long record of proud
achievements
Written down by Fremont High.
F-R-E-M-O-N-T FREMONT.

Activities

Our memories of high school life would never be complete without the clubs, class activities, plays, the Chatter and Annual, and all the dances and parties where we had so much fun. They have provided us with remembrances of many good times and the development of lasting friendships with students and teachers alike, and have done much to prepare us to be better citizens of tomorrow.

Junior High Choir

In a few short years, Ross will see some new faces in A Cappella Choir. They will be the faces of what is now the Junior High Choir. This group is composed of seventh and eighth graders and is directed by Mr. Kooister. It is remembered for its part in the annual Christmas assembly.

Boys' and Girls' Glee Clubs

The boys' and girls' glee clubs are made up of singers from the ninth, tenth, and eleventh, and twelfth, grades. They are directed by Mr. Kooister. Their performance at the Christmas and Easter concert assemblies was a fitting addition to our school program.

A Cappella Choir

One of the finer musical groups in our school is the A Cappella choir. This year, they featured a Christmas concert, a Christmas concert, a Christmas assembly, and a spring program. The choir has done very well under the able leadership of Mr. Kooistra. For its officers, they chose: Karl Rogers, Dick Foster, Sue Bahnsen, and Mary Fisher.

Dance Band

The Dance Band will remember first the joys of being able to play for the dances of Ross High before they remember the long hours of practice under the direction of Mr. Steirwalt and Mr. Sells. We are proud of the work they have done. Friday night dances will be really dreamy memories because of the smooth music played by this group after the football and basketball games.

Band

One of the top bands in the state is found right here in Fremont—our own high school band. For the past few years it has won honors in the concert field by being given "one" ratings at the state contests. We also rate it as our top band not only because of its concert ability, but also due to its marching performances.

Every year, during football season, it can be found putting on a show before the game and during the half. It is represented by a small number at the basketball games, and it plays a concert assembly and a public concert every year.

This year the band was considered a school organization and elected officers: Ronnie Whisler, president; Charles Oestreich, vice-president; and Ned Brown, secretary-treasurer. Mr. Sells, the director, and Mr. Steirwalt, the assistant, have helped to lead the band to the top through diligent work and practice.

Student Council

Every other Tuesday morning an announcement sounding something like this was made—"Will all members of the Student Council please report to room 240 after announcements?" Room 240 was the rendezvous of the student government body which was organized to interpret self-government and democracy and to sponsor various school projects such as the elections held early each spring for the officers of the following school term. The council was a representative body consisting of home room presidents and the vice-presidents of the school organizations under Mr. Ballenger's direction. The officers were: Ralph Engle, president; John Allen, vice-president; John Anspach, secretary; and Martha White, treasurer.

The Junior Class Play

"In the good old days when I was a child" was the theme brought out by the Juniors in their play "Little Women." The play was a typical story of teen-agers in the nineteenth century, a time when French was the popular language and full skirts and parasols were in style. It was taken from the famous novel of the same name by Louisa May Alcott.

National Thespian

This year Miss Forsyth's students took part in many various dramatic events, including the junior and senior class plays, one act plays and declamations. Mr. Cucare was the able assistant of Miss Forsyth during the class plays. Yearly about eighteen juniors earn enough points to become members of the society, and about fifteen are admitted in their senior year who have earned enough points in two years.

Library Staff

As we look back we see those smiling library staff members who were always there to help us find the desired reading material that was sometimes so difficult to locate. The school has several library annexes such as the one in the study hall 300, the well-equipped guidance library, and the many classroom collections.

This active staff also sponsors an annual tea honoring the faculty, a teen-age book club which enables students to purchase books at a special rate; and, at sometime during the year, shows a movie taken from a well-known book; the movie this year being "Little Men." The library staff was host to the Student Library Council Conference in the Buckeye League in the spring.

Officers for the year were: Ray Alford, president; Marlene Baxter, vice-president; Joyce Jennings, secretary; and Janet Matthews, treasurer.

The future office workers are responsible for collecting and making out the morning absence reports. These students also play a large part in the yearly magazine drive.

Under the supervision of Miss Lee, they learn how to use such machines as the comptometer, adding machine, dictaphone, switchboard, mimeograph, and ditto.

Future Teachers of America

Members of the Ross High Chapter of the Future Teachers of America are laying the groundwork for an important career, not only important to themselves, but to those future generations who will pass under their influence.

Members of the club, while still students, are gaining valuable background and guidance in the F.T.A. Here they learn from example the great effort that good teachers give for the benefit of their students.

For officers this year, the club chose: Chuck Miller, president, Phil Keller, vice-president; Bill Kirsch, secretary; Jim Sherer, treasurer; chaplain, Robert Haskins. Their advisor was Mr. Ferguson.

Cafeteria Staff

Not one of us will ever forget the mad rush that took place every noon in the general direction of Study Hall 300, which for that hour had taken on the disguise of a cafeteria. Who could ever forget the valiant struggle of trying to be first and nearly always finding himself last.

But most of all we will remember the delicious food served by the cooks and the able assistance of their staff.

Chatter Staff

Deadlines to meet! Stories to write! Beats to trudge! These were the thoughts of every member of the Chatter staff and the by-words in the Chatter office.

We will never forget how the Chatter, issued every other week, helped to brighten "Blue Monday."

Marilyn Wheeler's job as "editor-in-chief" was to see that everything got done by "brow-beating" the junior and senior staffs. Helene Waugh, assistant editor, was in charge of feature stories, while the new position of news editor was filled by Toady Frey. Her job was to rewrite stories and write headlines. Other managers were Evelyn Walters, business manager, assisted by Betty King and advertising manager, Joan Timpe, who was assisted by Marilyn Arnold. Last, but not least, Mr. Tooley, our faculty advisor, whose help we appreciate.

Croghan Staff

The publication of our "Scrapbook of Memories" was a difficult task for the members of the Annual Staff. Every member had to do his share of the work in order to meet the deadlines.

There were pictures to take, names to keep in order, money to collect, and editorials to write. These were the outstanding jobs to be done for our Annual.

The Editor-in-Chief was Jake Baumann; Business Manager, Sue Bahnsen; and the Adviser was Mr. Tooley.

Varsity Football

Do you remember the 1949-1950 football season, when our Little Giants won nine, and lost only one?

Ross took an early lead and never lost it as they defeated the Norwalk squad, 32-13 in the initial game of the season.

Cleveland Brush was the second team to bow to the powerful Rossmen. They brought their squad here for the first time, and went home looking very sorry about the 65-0 score.

Next came Fostoria who wanted the win for the Buckeye League, and also to celebrate the dedication of their new stadium; but the Giants also wanted the game, and took it by a 28-7 margin.

The following week, hopes for a perfect season were shattered by the fleet-footed Findlay Trojans who never let Ross get ahead after Charlie Glover opened the game with a touchdown on the first scrimmage play. We lost 26-13.

Highly rated Sandusky received a shock a week later as the Giants ran over them 47-7 in a nevertheless hard fought contest.

Tiffin and Bowling Green were the next victims of the now un-stoppable Rossmen, and they bowed by scores of 78-0, and 46-0 respectively.

Ross overcame a three year jinx as they played powerful Elyria to a 7-0 loss on a wet, snowy field.

In closing the season, the Giants defeated Toledo Scott, 40-20, and won a co-championship with Findlay in the Buckeye League by downing Marion Harding, 28-0.

Varsity Basketball

A group of highly spirited boys who refused to give up till the last buzzer blew composed the 1949-1950 basketball squad, and although they had only three victories in twenty encounters, we were all pleased with their teamwork, courage, and fight which they displayed all season.

Pitted against such foes as Findlay, Mansfield, Ashland, Fostoria, Toledo Libbey, Sandusky, and Elyria, the Giants never once showed signs of losing their spirit or giving up before the final whistle.

They lost several very tough games, but came back for their next battle with twice as much fight. The initial match of the season took place at Toledo, where the Polar Bears handed our Giants, who had had only several weeks practice, their first defeat, 46-28. Then, in the first Buckeye League contest, we went to Fostoria and lost a 30-28 heart-breaker. Norwalk took the next close one 45-43, but not before the Rossmen had their first victory, which saw Tiffin bow 51-43.

Fostoria came to town and broke the hearts of the whole Ross cheering section, as the Giants, who led most of the way, and fought valiantly through an overtime, finally lost in a "sudden death" encounter 67-65.

After beating Bowling Green, 50-47, in the final game of the scheduled season, the Rossmen dropped to Willard in the first round of the state tourney at Sandusky.

Al Ziemke was the Giant's head coach, and was capably assisted by Bob Seele and Lester Binkley.

LEFT TO RIGHT: Jerry Porczak, Jim Bounds, Kenny Rosenberger, Kenny Winkle, Jim Ameling.

Varsity Swimming

The 1949-1950 varsity swimming squad finished its season very successfully, winning six of eight dual meets, and losing only to Toledo YMCA, 39-36, and last years state champs, Canton McKinley, 40-35.

In addition to the dual meets, the Giants performed in two exhibitions with the B. G. freshmen, took a third in the Annual Bowling Green Relays, and finished second in the state just behind Cincinnati Western Hills.

It was an eventful year for the Giants, who broke a school record, and also now hold the district record for the 200-yard free style relay. Bud Nord, Jim Sherer, Dick Burkett, and Chuck Miller are the four responsible for the new pool record of 1:42.5, and the district record of 1:42.7, in that event.

Lettermen for the year are: Charles Miller, Phil Slaymaker, Bud Nord, Bill Kirsch, Jim Sherer, Louis Appell, Don Naftulin, Ron Whisler, John Schwartz, Ralph Engle, all Seniors, and Neal Bork and Dick Burkett, Sophomores.

Varsity Track

Although the track season had not yet taken place when the annual went to press, the Giants were expecting a successful year, and anticipating meets with foes such as Sandusky, Fostoria, and possibly other Buckeye League squads, besides the annual Invitational Meet, the DeVilbiss Relays, Buckeye League, District, and the State at Columbus.

Practice for the season begins soon after spring football, and continues nightly for the duration of the schedule which ends just before school. At the end of the regular season, an all-events program takes place which serves to pick the best all-around athlete in the sport.

The coach of the team is Lester Binkley, who may be seen at the stadium giving his squad important pointers on form, and putting them through their paces in striving for a successful season.

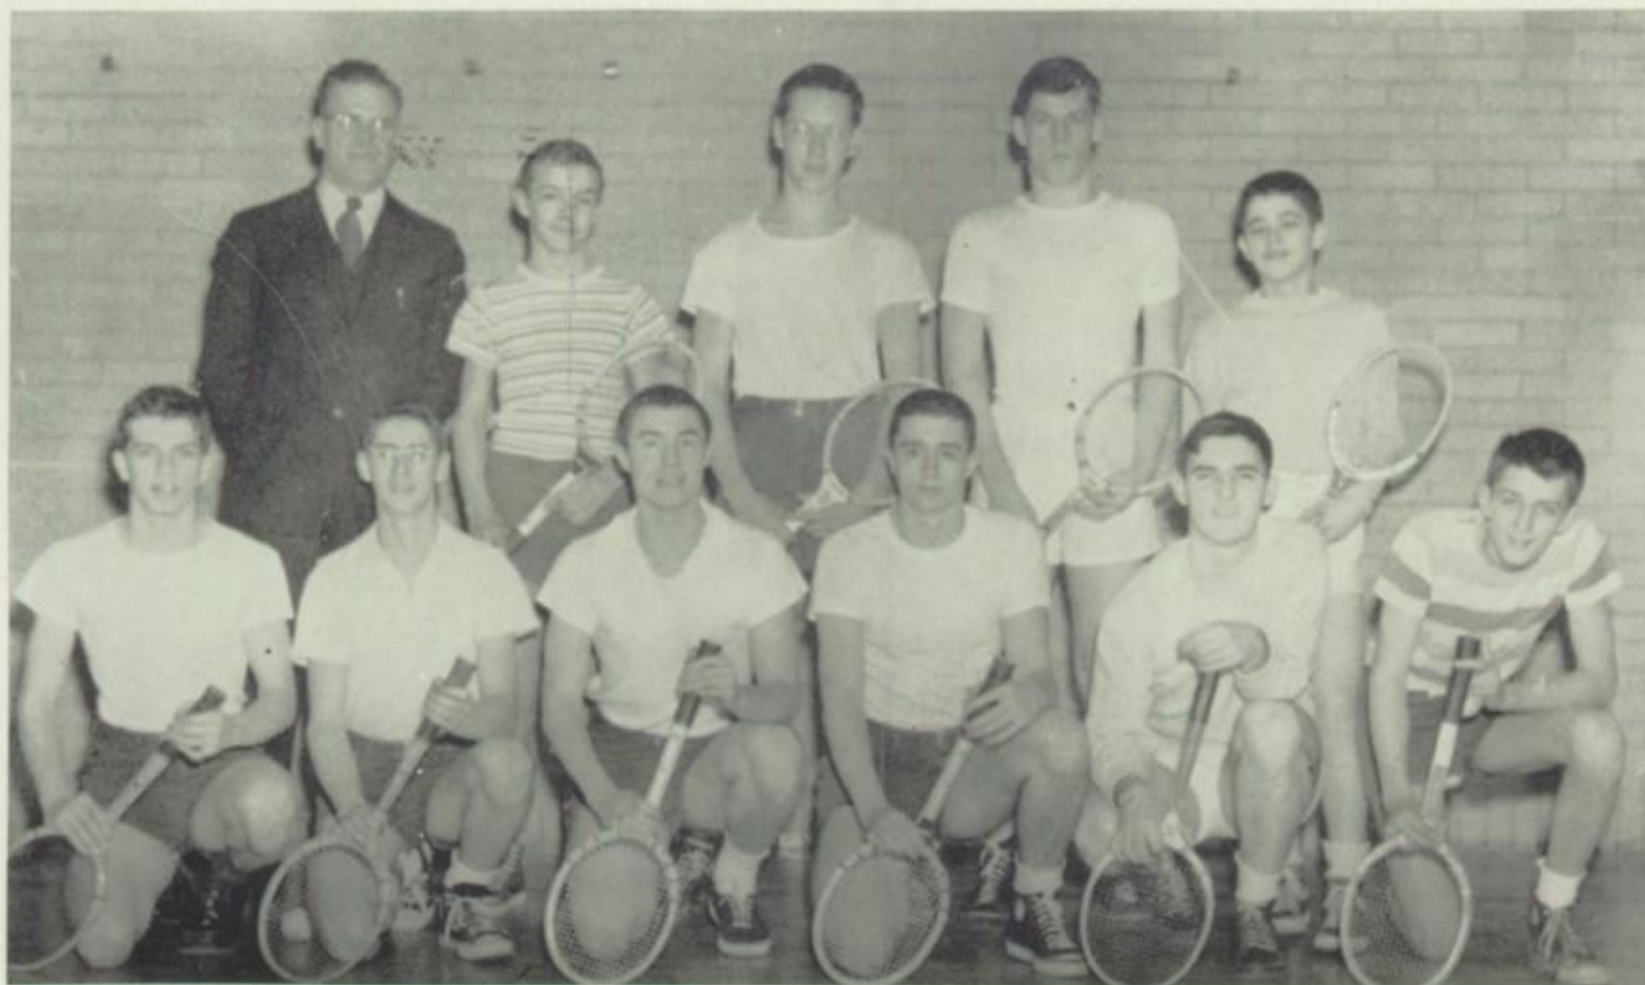

TOP ROW: Albert Nitschke, Clarence Frampton, Bud Nitschke, Jake Baumann.
FRONT ROW: La Mar King, Ed Stetzel, Lon Rosenberger, Eric Haskins, Bill Smith.

Cross Country

Little Giant harriers, under the tutorship of John Titsworth, did not place in the win column for the "49-50" season, but nevertheless showed some fine running and some good prospects for next year.

In the District, held in Toledo, Lon Rosenberger, senior member of the squad, placed in the first twenty to finish.

Cross Country is billed as the most difficult of all sports, and nightly practice found the boys doing physical exercises and running at least a mile.

FIRST ROW, LEFT TO RIGHT: Phil Slaymaker, Bud Andersen, Ralph Engle, Bill Kirsch, Bill Beach, Lonny Price.

SECOND ROW: Coach McConnell, Dick Garcia, Dick Walter, Louis Appell, Tom Kirsch.

Varsity Tennis

Another good record was anticipated by Coach McConnell, as the whole varsity squad of six lettermen returned for the "50" season. Facing such teams as Toledo DeVilbiss, Lima Central, Toledo Scott, Sandusky, Mansfield, Norwalk, Castalia, and Toledo Macomber, besides the Invitational, District, and State, were lettermen Ralph Engle, Bud Andersen, Phil Slaymaker, Ronny Whisler, Bill Kirsch, and Bill Beach.

Practice takes place on the courts at Rodger Young Park every night of the season, but members of the squad usually spend much of their free time during the summer vacation working out to keep in shape for the matches. Games played in town take place on the courts at Rodger Young.

Miss Grover is advisor to the group, and Nancy Liebold was Captain for the 1949-1950 season.
